Coverage for: Individual or Family Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-768-7182. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at www.MyAmeriBen.com or call 1-877-768-7182 or 1-602-231-8855 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	None	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your <u>deductible?</u>	Yes. There is no deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost</u> <u>sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive- care-benefits/.
Are there other <u>deductibles</u> for specific services?	Νο	No. You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<ul> <li>Per participant: \$6,450 HonorHealth and BCBSAZ In- Network Provider/ Unlimited non-network</li> <li>Per family: \$12,900 HonorHealth and BCBSAZ In- Network Provider/ Unlimited non-network</li> <li>There is a \$2,500/person cost sharing limit on specialty drugs that also accumulates to this <u>Out-of-Pocket Limit</u>.</li> </ul>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	For the Medical Plan including outpatient drugs: premiums, balance-billed charges, health care expenses this plan does not cover, charges in excess of annual maximum benefits, a penalty for failure to obtain precertification, and out-of-network cost sharing (except for emergency) do not count toward the <u>out-of-pocket limit</u> .	Even though you pay these expenses, they don't count toward the <u>out-</u> <u>of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	<ul> <li>Yes. for medical: HonorHealth in-network providers see</li> <li>www.honorhealth.com/locations Innovation Care Partners see</li> <li>www.innovationcarepartners.com/physiciansearch.</li> <li>Blue Cross Blue Shield of Arizona in-network providers, see www.azblue.com/chsnetwork or call (602) 231-8855.</li> <li>Yes. for behavioral: Magellan Behavioral Health in-network providers, see</li> <li>www.magellanhealth.com/member or call (800) 424- 4138.</li> <li>Yes, for prescription drugs: OptumRx. For a list of retail and mail pharmacies, log on to www.optumrx.com or call 1-844-368-9854.</li> </ul>	This <u>plan</u> uses a <u>provider</u> network. You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of-network provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
