

Mobile App Access to Staff Member Self Service

View your paystubs, employee directory and more on the Staff Member Self Service Mobile App.

There is now a Mobile App version of Staff Member Self Service (UltiPro) which gives HonorHealth employees view only access to:

- Your current and past paystubs.
- Current and past W-2.
- The HonorHealth Employee Directory and Organizational Chart for your team.

***Please note that the mobile app is VIEW ONLY!**

Here's how you can download the app:

- iPhones users go to the Apple app store. Android users can go to the Google play store.
- Enter UltiPro in the search field.
- Download the UKG Ulti mobile application.
- The Company code is HonorHealth123
- Then log in as usual with your **Staff Member Self Service User Name (Employee ID)** and Password
- You'll still be prompted to receive a verification code to log into the mobile site.

If you need to make changes/updates to your Staff Member Self Service profile:

- You'll need to log into UltiPro (n12.ultipro.com/login) through a tablet, a laptop or a desktop computer to make the changes/updates.
