Benefits are an integral part of the overall total rewards package provided by HonorHealth. Within this Benefits Guide, you will find important information on the benefits available to you for the 2022 plan year (January 1, 2022, through December 31, 2022). Please take a moment to review the benefits HonorHealth offers to determine which plans are best for you.

Every care is taken to ensure the accuracy of the information in this guide; however, in the event of any conflict, certificates of coverage or master plan documents will govern.

DEPENDENT ELIGIBILITY

Many of the plans offer coverage for eligible dependents, including:

- Your legal spouse or domestic partner*.
- Your children to age 26, regardless of student, marital, or tax-dependent status (including a stepchild, legally-adopted child, a child placed with you for adoption, or a child for whom you are the legal guardian).
- Your dependent children of any age, if the disability began prior to age 26 and the dependent was on the plan before reaching age 26, who are physically or mentally unable to care for themselves.

*Both you and your domestic partner must sign an affidavit stating that you meet the qualifying criteria, and you must provide proof of qualification. Download the appropriate forms from the Employee Benefits site at honorhealthbenefits.com. **HonorHealth contributions toward the premium for a domestic partner are a taxable benefit to the employee.**

You are required to provide proof of your dependents' eligibility, such as a birth certificate or marriage license, within 30 days of your benefit eligibility date in order for your dependents to have coverage.

ENROLLMENT

You can sign up for benefits or change your benefits elections at the following times:

- Within 30 days of your initial eligibility date (as a newly-hired employee).
- During the annual benefits open enrollment period.
- Within 30 days of experiencing a qualifying life event.

The choices you make at this time will remain the same through December 31, 2022. If you do not sign up for benefits during your initial eligibility period or during the open enrollment period, you will not be able to elect coverage until the following plan year.

If you are a new hire, log into the [Staff Member Self-Service portal](#) to enroll in benefits.

CHANGING YOUR BENEFITS DURING THE YEAR

HonorHealth allows you to pay your portion of the medical, dental, and vision plan costs, and contribute to the FSAs and/or HSA, on a pre-tax basis. Due to IRS regulations, once you have made your elections for the plan year, you cannot change these benefits until the next annual open enrollment period. The only exception is if you experience a qualifying life event. Election changes must be consistent with your life event.

Qualifying life events include, but are not limited to:

Marriage, divorce, or legal separation.

Birth or addition of an eligible child.

Death of your spouse or covered child.

Change in your spouse's work status that affects his or her benefits.

Change in your child's eligibility for benefits.

Qualified Medical Child Support Order.

If you experience a qualifying life event, please download a qualifying life event enrollment form at honorhealthbenefits.com/eligibility-enrollment/enrollment/.

To request a benefits change, please download a qualifying life event form at honorhealthbenefits.com/eligibility-enrollment/enrollment/, notify a benefit educator, or email employee.benefits@honorhealth.com within 30 days of the qualifying life event. Change requests submitted after 30 days cannot be accepted. You may be required to provide proof of the life event such as a birth certificate, marriage license, or other proof of qualifying life event.

MEDICAL INSURANCE

Prescription Drug Benefit

When you enroll in an HonorHealth medical plan, prescription drug coverage is automatically provided through OptumRx. You can fill your 30-day prescriptions at participating pharmacies such as Safeway, Walgreens, Wal-Mart, CVS, and Target, or you may choose to use mail order.

To order by mail through OptumRx, please visit [optumrx.com](https://www.optumrx.com), or download the Mail Order form at [honorhealthbenefits.com](https://www.honorhealthbenefits.com).

Dispense as Written

A dispense as written (DAW) penalty may be applied to your prescription cost if you fill a preferred or non-preferred drug that has an available generic substitute. You will pay the difference in cost between the two drugs along with the applicable coinsurance.

Register at [optumrx.com](https://www.optumrx.com) to find your actual out-of-pocket cost for your preferred and non-preferred brand medications.

HonorHealth OptumRx Walgreens90 Program

The HonorHealth OptumRx Walgreens90 program saves you money by requiring that you fill maintenance medications in a 90-day supply. Maintenance medications must be filled through OptumRx mail order or at a Walgreens retail pharmacy. 90-day maintenance medications filled at any other pharmacies and 30-day maintenance medications will not be covered. To fill your 90-day prescriptions, visit your local Walgreens or go to [walgreens.com](https://www.walgreens.com) to find the location closest to you. Or try OptumRx mail order. Visit [optumrx.com](https://www.optumrx.com) or call 844-368-9854, TTY 711 to get started.

Generic Maintenance Preventive Prescriptions

HonorHealth covers generic preventive prescriptions for four critical disease states: cardiac, asthma, hypertension, and diabetes. Generic maintenance medications for these disease states are covered 100% under all plans. Remember, the Health Savings Account plan requires you to meet your deductible first before these generic prescriptions are covered 100%. Anti-depressants are also covered 100% through this Generic Maintenance Preventive list.

Injectable Fertility Prescriptions

Injectable fertility treatment prescriptions (i.e. Follistim, Ganirelix, Lupron, Menopure, Omnitrope, and Pregnyl)* must be dispensed through the HonorHealth Specialty Pharmacy in order to be covered. Your provider should contact the medical management administrator, Innovation Care Partners (ICP) to request prior authorization if applicable.

*Please note that covered prescriptions may change throughout the year. Confirm with your doctor and ICP which prescriptions are covered.

Behavioral Health Services

Magellan Health provides in-network services and coordination of care for all behavioral health benefits. To get started, call a Magellan Health care manager at 800-424-4138. The care manager coordinates and guides all of your care. You may be referred to a network provider for mental health or substance abuse services. Visit [honorhealthbenefits.com](https://www.honorhealthbenefits.com) for more benefit information.

Employee Assistance Program

The employee assistance program (EAP) through ComPsych provides help for everyday issues that may affect you and your family like job pressures, relationships, retirement planning, or personal impact of grief, loss, or a disability. The EAP offers valuable benefits, including:

- Confidential access to trained counselors and work-life specialists
- Referrals to resources and community services, including child and elder care
- Self-assessment tools through interactive web services
- Legal and financial counseling

Services include up to three face-to-face counseling sessions. For assistance 24 hours a day, seven days a week, call 866-676-3524 (TTY: 800-697-0353) or visit [guidanceresources.com](https://www.guidanceresources.com) (company web ID: HonorHealth).

HEALTH SAVINGS ACCOUNT

If you enroll in the Health Savings Account Plan (HDHP), you may be eligible to open and fund a health savings account (HSA) through HealthEquity. An HSA is a personal savings account that you can use to pay out-of-pocket health care expenses with pre-tax dollars.

If you contribute to an HSA, HonorHealth will help you save by matching your contribution up to the following amounts:

- Employee-only coverage: \$500
- All other coverage tiers: \$1,000

HonorHealth contributions are deposited on each pay day (up to 24 pay periods), provided you are also contributing.

2022 IRS HSA Contribution Maximums

Contributions to an HSA (including the HonorHealth contributions) cannot exceed the IRS allowed annual maximums.

- Individual: \$3,650
- All other tiers: \$7,300

If you are age 55+ by December 31, 2022, you may contribute an additional \$1,000.

HSA Eligibility

You are eligible to contribute to an HSA if:

- You are enrolled in the Health Savings Account Plan (HDHP).

You are NOT eligible to contribute to an HSA if:

- You are covered by a non-HSA eligible medical plan, health care FSA, or health reimbursement account.
- You are enrolled in Medicare, TRICARE, or TRICARE for Life.
- You are eligible to be claimed as a dependent on someone else's tax return.
- You have received Veterans Administration Benefits in the last three months (unless the condition for which you received care was service related).

Refer to **IRS Publication 969** for details. Note: You cannot use your HSA dollars for your domestic partner's expenses unless that individual is your tax-code dependent. HSA dollars can be used for all tax-code dependents even if they are not covered on a HonorHealth medical plan.

Get a Discount on Health Care Expenses

When you spend your HSA dollars, it's like using a 20% off coupon for your health care expenses.* That is because you don't pay taxes on your HSA contributions. For example, when you receive a \$400 bill from your primary care provider and you pay with your HSA, you are saving between \$80 and \$100 dollars based on your tax rate.

*Percentage varies based on your tax bracket.

Maximize Your Tax Savings with an HSA

USE HSA DOLLARS TODAY

Use your HSA dollars today to pay for qualified medical expenses such as: deductibles, doctor's office visits, dental expenses, eye exams, and prescription expenses.

SAVE HSA DOLLARS FOR TOMORROW

Use your HSA to prepare for the unexpected. An HSA allows you to save and roll over money from year to year. The money in the account is always yours, even if you change health plans or jobs.

INVEST HSA DOLLARS FOR RETIREMENT

The money in your HSA can be invested and grown tax-free. After you reach age 65, your HSA dollars can be spent penalty free on any expense.

DENTAL INSURANCE

HonorHealth offers four dental insurance plans.

- The **Delta Dental Base Plan**, **Delta Dental Buy-Up Plan**, and **Delta Dental Enhanced Plan** offer in- and out-of-network benefits, providing you the freedom to choose any provider. However, you will pay less out of your pocket when you choose a network provider. Locate a Delta Dental network provider at deltadentalaz.com.
- The **EDS HMO Plan** offers in-network coverage only. You must designate a primary dentist to oversee your care. Any in-progress treatment you or your dependents are currently receiving, such as orthodontia, is not covered. To find a provider in the EDS network, visit mydentalplan.net (plan: 300N).

FLEXIBLE SPENDING ACCOUNTS

HonorHealth offers three flexible spending account (FSA) options—the health care FSA, the limited purpose health care FSA, and the dependent care FSA—which allow you to pay for eligible expenses with pre-tax dollars. You decide how much to contribute to each FSA on a calendar year basis up to the maximum allowable amounts. FSAs are administered by WEX. Log into your account at [wexinc.com](https://www.wexinc.com).

Health Care FSA (not allowed if you contribute to an HSA)

The health care FSA allows you to set aside money to pay for eligible out-of-pocket expenses, such as copays and other health-related expenses that are not paid by the medical, dental, or vision plans. These funds can be used for you and your eligible dependents.

Roll over \$570!

The health care FSA maximum contribution is \$2,850 for the 2022 calendar year.

Limited Purpose Health Care FSA (if you contribute to an HSA)

If you contribute to an HSA, you are not eligible to contribute to a health care FSA. However, you can contribute to a limited purpose health care FSA which can only be used to reimburse dental and vision expenses. These funds can be used for you and your eligible dependents.

Roll over \$570!

The limited purpose health care FSA maximum contribution is \$2,850 for the 2022 calendar year.

Dependent Care FSA

The dependent care FSA allows you to set aside money from your paycheck for day care expenses to allow you and your spouse to work or attend school full time. Eligible dependents are children under 13 years of age, or a child over 13, spouse, or elderly parent residing in your house who is physically or mentally unable to care for himself or herself. Examples of eligible expenses are day care facility fees, before- and after-school care, and in-home babysitting fees (income must be reported by care provider).

Use it or lose it!

You may contribute up to \$5,000 to the dependent care FSA for the 2022 calendar year if you are married and file a joint return or if you file a single or head of household return. If you are married and file separate returns, you can each elect \$2,500 for the 2022 calendar year.

THINGS TO CONSIDER BEFORE CONTRIBUTING TO AN FSA:

- For the health care FSA, at the end of the plan year, you can roll over \$57.0 from your health care FSA to use in future years. Any amount in excess of \$570 on January 1, 2023, will be forfeited. This also applies to limited purpose health care FSA.
- Dependent care FSA dollars are use it or lose it (no roll over allowed).
- You cannot take income tax deductions for expenses you pay with your FSA(s).
- You cannot stop or change your FSA contribution(s) during the plan year unless you experience a qualifying life event.
- If you leave HonorHealth, your FSA ends on the last day of your employment.

LIFE AND AD&D INSURANCE

Life and accidental death and dismemberment (AD&D) insurance is an important element of your income protection planning, especially for those who depend on you for financial security. For your peace of mind, HonorHealth provides basic life and AD&D insurance to all benefits-eligible employees **at no cost**. You have the option to purchase additional voluntary life insurance.

BENEFICIARY DESIGNATIONS

Please be sure to keep your beneficiary information up to date.

Basic Life and AD&D Insurance

HonorHealth automatically provides basic life and AD&D insurance through Excess Risk to all benefits-eligible employees **at no cost**. If you die as a result of an accident, your beneficiary would receive both the life benefit and the AD&D benefit.

- **Employee benefit:** 1x base annual salary up to a maximum of \$200,000 (minimum of \$25,000)

Voluntary Life and AD&D Insurance

HonorHealth provides you the option to purchase voluntary life and AD&D insurance for yourself, your spouse, and your dependent children through The Hartford. You must purchase additional coverage for yourself in order to purchase coverage for your spouse and/or dependents. Voluntary life and AD&D rates are age-banded (listed below). Benefits will reduce to 50% at age 70, to 30% at age 75, and to 20% at age 80.

If you elect coverage when first eligible, you may purchase up to the guarantee issue amount(s) without completing a statement of health (evidence of insurability). If you do not enroll when first eligible, you will be required to submit evidence of insurability for any amount of coverage. Coverage will not take effect until approved by Reliance Standard.

- **Employee:** 1, 2, 3, 4, or 5x your base annual salary up to the guarantee issue of \$500,000

PAID TIME OFF AND PAID SICK TIME

All regular and seasonal, full- and part-time employees (exclusive of temporary and per diem staff) are eligible to earn paid time off (PTO) based on length of service and regular hours paid.

Each pay period, all eligible employees will accrue PTO hours. This accrued time may be used for holidays, vacation, personal business, short-term personal illness, and family needs. Accrued PTO hours may be utilized as the employee elects, subject to departmental staffing requirements and supervisory approval.

Note: For further information regarding the HonorHealth PTO and PST policy, please refer to policy #HR1324.

Length of Service	Earned PTO	2022 Max Accrual
0-2 years	0.069/5.52 hours a pay period	240 hours
3-6 years	0.088/7.04 hours a pay period	260 hours
7-9 years	0.100/8.00 hours a pay period	280 hours
10-14 years	0.108/8.64 hours a pay period	300 hours
15+ years	0.115/9.20 hours a pay period	320 hours

Amounts represent estimates based on 80 accruable hours per pay period throughout the year. Part-time employees' PTO accruals are pro-rated based on hours worked per pay period. PTO will stop accruing until the accrued hours fall below the maximum cap level.

Employees will also be eligible to receive up to 40 hours of paid sick time (PST) per accrual cycle.

Length of Service	Earned PST	2022 Max Accrual
All	0.0333/2.664 hours per pay period	40 hours

Note: PST is earned on hours worked only. For further information regarding the HonorHealth's PTO and PST, please refer to policy HR#1324.

403(b) RETIREMENT SECURITY PLAN

The earlier you start saving, the larger your nest egg will be when you are ready to retire. Putting a little away with each paycheck with pre-tax dollars will help you reach your retirement goals without feeling the pinch on your budget.

With the 403(b) Retirement Security Plan

- As a new hire, you are **auto-enrolled at 2%**. Please allow up to two pay periods for deductions to start.
 - » If you do not want to contribute to your 403(b) you will need to log into your account at prudential.com/online/retirement, click on Register Now and create an ID and password. Once logged in, go to Quick Actions-Change Contributions to change your contribution to 0%. You must complete this action within 30 days of hire date or you will be auto-enrolled.
- You can change your contribution elections any time.
- You can cancel or resume your contribution at any time.
- You have a variety of investment options.
- You may also “roll in” money from another “qualified” retirement plan at any time.

How the 403(b) Retirement Security Plan Works

- You contribute to the 403(b) retirement security plan through convenient payroll deductions.
- You contribute pre-tax money—that is, money you invest before taxes are calculated on your pay. This means you’ll owe less to the IRS.
- Your contributions and their earnings grow tax-free until you withdraw your money from the plan. Because you have more money working for you, it grows faster—specifically because you won’t pay taxes on your investments every year like you would with other types of accounts.
- If you are an HonorHealth employee hired January 1, 2022 or later, the employer contribution will be vested after completion of 3 years of service with HonorHealth.
- It’s easy to save. You decide how much you want to save, as little as 2% or as high as 50% of your base earnings, up to the maximum set by the IRS.

Note: If you are a new hire, you are auto-enrolled at 2%.
