

# BENEFITS ENROLLMENT

THE ENROLLMENT PERIOD BEGINS **NOVEMBER 1** AND ENDS **NOVEMBER 15**

## Passive Open Enrollment

It will soon be time to make your 2023 benefit changes and elections.

Are you happy with your benefits? If so, no action is needed during this year's open enrollment. **The only exception is flexible spending account (FSA) elections, which YOU MUST RE-ENROLL in every year.**

Note: Please be sure to update your dependent information and make sure if you are enrolling dependents in coverage, they meet the dependent eligibility criteria and have their Social Security numbers and date(s) of birth ready to enter. You may be required to verify the relationship status after open enrollment by providing documentation like a marriage or birth certificate.

## What's Changing?

There will be some changes to your medical plans and contributions for 2023. Please attend the Virtual Benefits Fair for more information.

## Benefits Fairs

Attend the Virtual Benefits Fair at [honorhealthfair2023.com](https://honorhealthfair2023.com) anytime between **October 17 and November 15** to get more details about 2023 benefits and speak with a benefits educator.

Scan the QR code for the recorded open enrollment presentation.

Open enrollment begins November 1 and ends November 15. If you do not make any changes through the portal by November 15, 2022, your current benefit elections will carry over into 2023, except for FSA elections.
