

Ambassador Activity Categories

Here's more about our Ambassador activity categories with a few examples!

Giving Back: Whatever the need, Ambassadors rise to the occasion to give back to our patients, colleagues and communities throughout the year.

- Examples of "Giving Back" activities include: donating blood, volunteering at Desert Mission Food Bank or participating in a donation drive.

Innovation: Ambassadors are encouraged to keep an open mind, embrace change and maintain a creative mindset as we work.

- Examples of "Innovation" activities include: submitting an ACT idea or becoming a connect Super User.

Out and About: A significant part of the Ambassador Movement is supporting local causes that align with our HonorHealth mission.

- Examples of "Out and About" activities include: representing your department at an HonorHealth event, participating in a fun run or helping out with AZ Special Olympics.

Recognition: Ambassadors appreciate the value of recognizing a colleague for a job well done.

- Examples of "Recognition" activities are: writing a You Rock card or nominating a colleague for an HonorHub Spotlight feature.

Recruit and Refer: Ambassadors understand the value of recruiting great talent to our organization and referring friends or family to HonorHealth for their medical care.

- Examples of "Recruit and Refer" activities include: recruiting a new Ambassador or referring a friend to work at HonorHealth through the Send Friends program.

Social Savvy: Ambassadors help share the life-saving work that we do every day by following and sharing HonorHealth updates on your favorite social media sites.

- Examples of "Social Savvy" activities include: sharing an HonorHealth Facebook post or tagging @HonorHealth in an Instagram story.

Other: The beauty of our Ambassador Movement is it's not one-size-fits-all. You can make it your own based on the causes you care about and how you enjoy connecting with others! If you do something that supports our mission that isn't listed above, it can fall into this category.

- For example: completing a survey or watching a virtual Town Hall.
