Important Questions	Answers			Why This Matters:
What is the overall deductible?		HonorHealth and BCBSAZ	<u>Non-Network</u>	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$500	Unlimited	
	Per family:	\$1,000	Unlimited	
Are there services covered before you meet your deductible?	Yes. <u>Network preventive services</u> , <u>prescription drugs</u> , breast pumps/supplies, and services requiring a <u>co-payment</u> .			This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.			You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?		HonorHealth and BCBSAZ	<u>Non-Network</u>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$5,000	Unlimited	
Per family:	\$10,000	Unlimited	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .	
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billed</u> charges, health care expenses this <u>plan</u> does not cover, charges in excess of annual maximum benefits, a penalty for failure to obtain precertification, and <u>non-network cost sharing</u> (except for emergency) do not count toward the <u>out-of-pocket limit</u> .
